ANTHEMS

National Anthem

O God of all creation
Bless this our land and nation
Justice be our shield and defender.

May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together.

And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

MESSAGE FROM THE FOUNDERS

*The Late Justice
Kasanga Mulwa*

Mrs Martha Mulwa

Greetings .This year marks the 3rd Graduation ceremony on the 8th Year since we began this journey as a University in 2013 with my husband the Late Justice Kasanga Mulwa and it brings great joy to my heart to see just how far we have come. From the bushy dry scrubland which was a forgotten part of the country to now a bustling hub of young minds and tireless tutors the University is now a place full of endless possibilities.

We are proud to have made quite some big steps this year as we successfully completed the Kasanga Mulwa library and also launched the Kasanga Mulwa foundation in March. We also successfully increased accommodation capacity by 160 rooms and launched the newly built Lukenya College at Emali among many infrastructural developments. These milestones are the clearest indicators that we intend to play our part in society to nurture and prepare our next generations.

As you go forward into your lives I encourage you to always choose to find knowledge and information in the written books, newspapers and journals. For these are written by men and women of knowledge and great wisdom. As much as we acknowledge that we are living in the information age where there is abundant information through mobile phones and the internet and which offers us huge possibilities as a developing country but also carries a risk of misinformation and other emerging challenges.

The 44th president of the United States, **Barack Obama** said, **"Reading is the gateway skill that makes all other learning possible, from complex world problems and the meaning of our history to scientific discovery and technological proficiency"**. I therefore leave you with this message today is that the world is full of all types of people , and who you become in the years ahead , will be determined by the choices you make therefore remember to make good choices and you shall experience life in its fullest .

I wish you all the best as you go into the real world and may God bless whatever enterprise you find yourselves pursuing.

God bless you all.

Mrs. Martha Kasanga Mulwa

MESSAGE FROM VICE CHANCELLOR

*Prof. Constantine M.
Nyamboga*

Vice Chancellor

On behalf of the Lukenya University Management Board, Senate, Staff and Students, I wish to congratulate **the Graduands of 2021**. You have made us proud since you have put our name on the map as we are watched from different parts of our beloved country and beyond.

I wish to convey profound appreciation to your parents, guardians and sponsors for having sacrificed a lot to see that you achieve your life dreams. Graduations all over the world are marked with a lot of excitements and celebrations. Sometimes, people are submerged into these ceremonies forgetting the main purpose of the event. I see graduands taking photos to capture the memorable occasion. After the ceremony, the reality comes back in a big way. Parents wait eagerly to see the outcome of their investment over the years while graduands wait patiently at home hoping that miracles will happen.

My dear graduands, today's graduation theme of *building a culture of entrepreneurship founded on skilled manpower* is a true testimony that in life, much more can be accomplished by utilizing the skills that you have been taught in lecture halls to make a difference in life. It would be wrong if you wait for someone else to define your destiny. Please grab every opportunity that comes your way for the betterment of humanity.

Immediately after this event, all graduands will become part of our alumni community. The benefits of being alumni of Lukenya University are enormous. Leaving Lukenya University as a student doesn't imply that you lose connection with us. We will still call upon you to participate in networking events, engage you in marketing of university programs, become a mentor or mentee for our continuing students, volunteer for important causes or come back for further studies so as to inspire the next generations of future leaders.

Congratulations for this incredible achievement, and I wish you all the best in your life endeavours.
